to the e who will Reflect. A class of maladies prevail to a fearful extent in com-nunity dooming at least 100,000 youth of both sexes an-ually to an early grave. Those diseases are very in-Albus, &: Hkewise Epilepsy, Hysteria, and Nervous Spasus.

Now, in ulnety-nine cases out of every one annoted all the above-named disorders, and a lost of others not named, as Consumption of the Laurs, and the most institutes and will pruse of Consumption of the Spinal Nerves, known as Takes Dorsales, and Takes misenterica, have their seat and origin in diseases of Pelvic Fiscara, illence the want of success on the part of oid school practice in treating symntoms only.

Dr. Andrew Stone, Physician to the Troy Lung and Hygienic Institution, is now engaged in treating success. The treatment adopted by the Institution is new;

must enclose return stamps to user adention.

**The attending physician will be found at the Institution for consultation, from 9 A. M. to 9 P. M. of each day. Sundays in the forencon.
